Social Media Lead Generation Made Easy

Want more followers, shares and leads from social media? Finding and streaming high-quality content is the proven way to accomplish that. The problem is, it can take hours to scour the internet for even a few interesting articles or videos.

That's where Social Stream comes in.

This add-on to IXACT Contact **completely automates the process.** All you do is select and schedule the real estate-related topics you want to post. Social Stream does the rest. It's like having a social media marketing team working for you, regularly posting exclusive and engaging content from top flat publications.

Social Stream is truly set-it-and-forget-it, taking just minutes to set up. And that includes your very own branded landing page and lead capture form.
