<- Watch this 1 minute video to learn how we do it

Automated bank connections

Connect your bank accounts in seconds. The transactions will appear in your account automatically.

Simple Accounting Software That Works As Hard As You Do

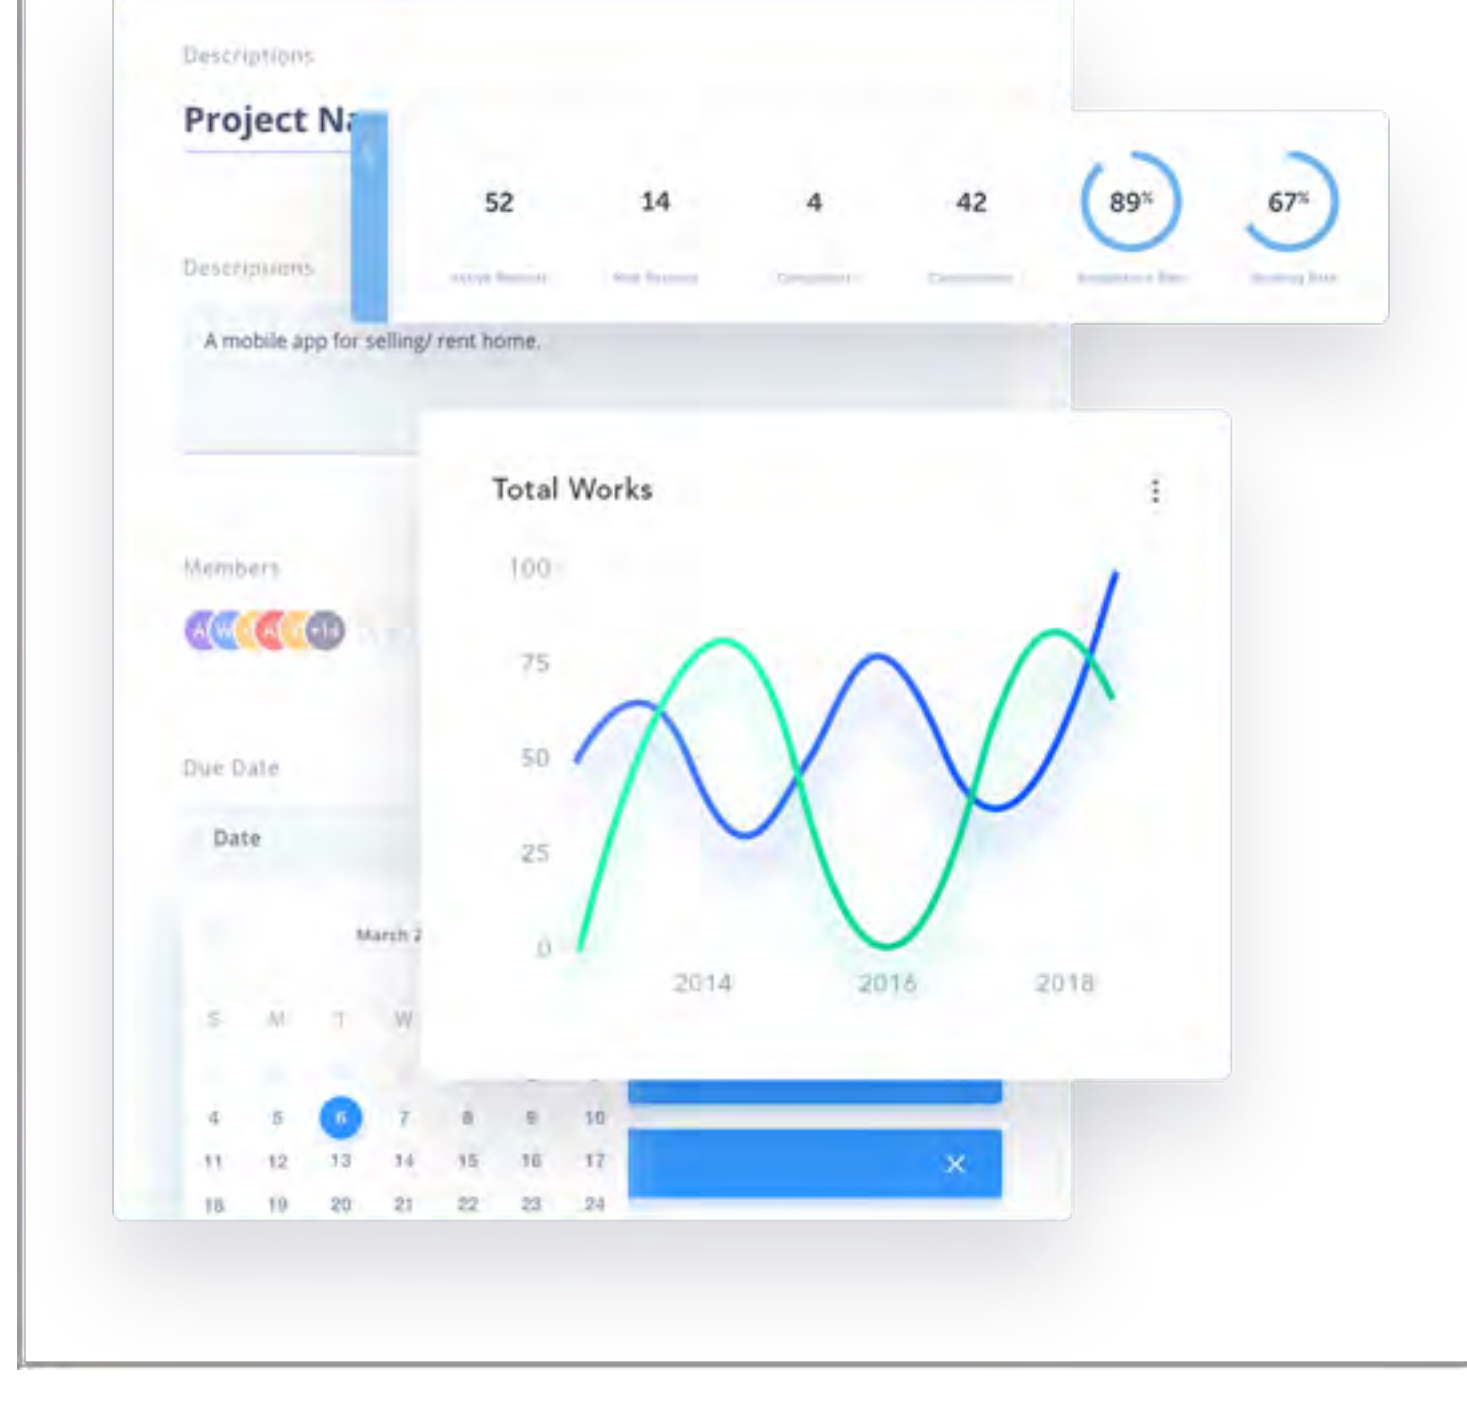

Get started in seconds

LessAccounting was designed for small business owners. No accounting slang, just simple accounting software for mac or windows that makes sense.

Unlimited bank connections

Connect your bank accounts in seconds. The transactions will appear in your bookkeeping automatically.

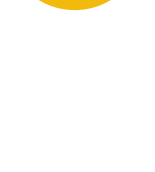

Create Professional Invoices

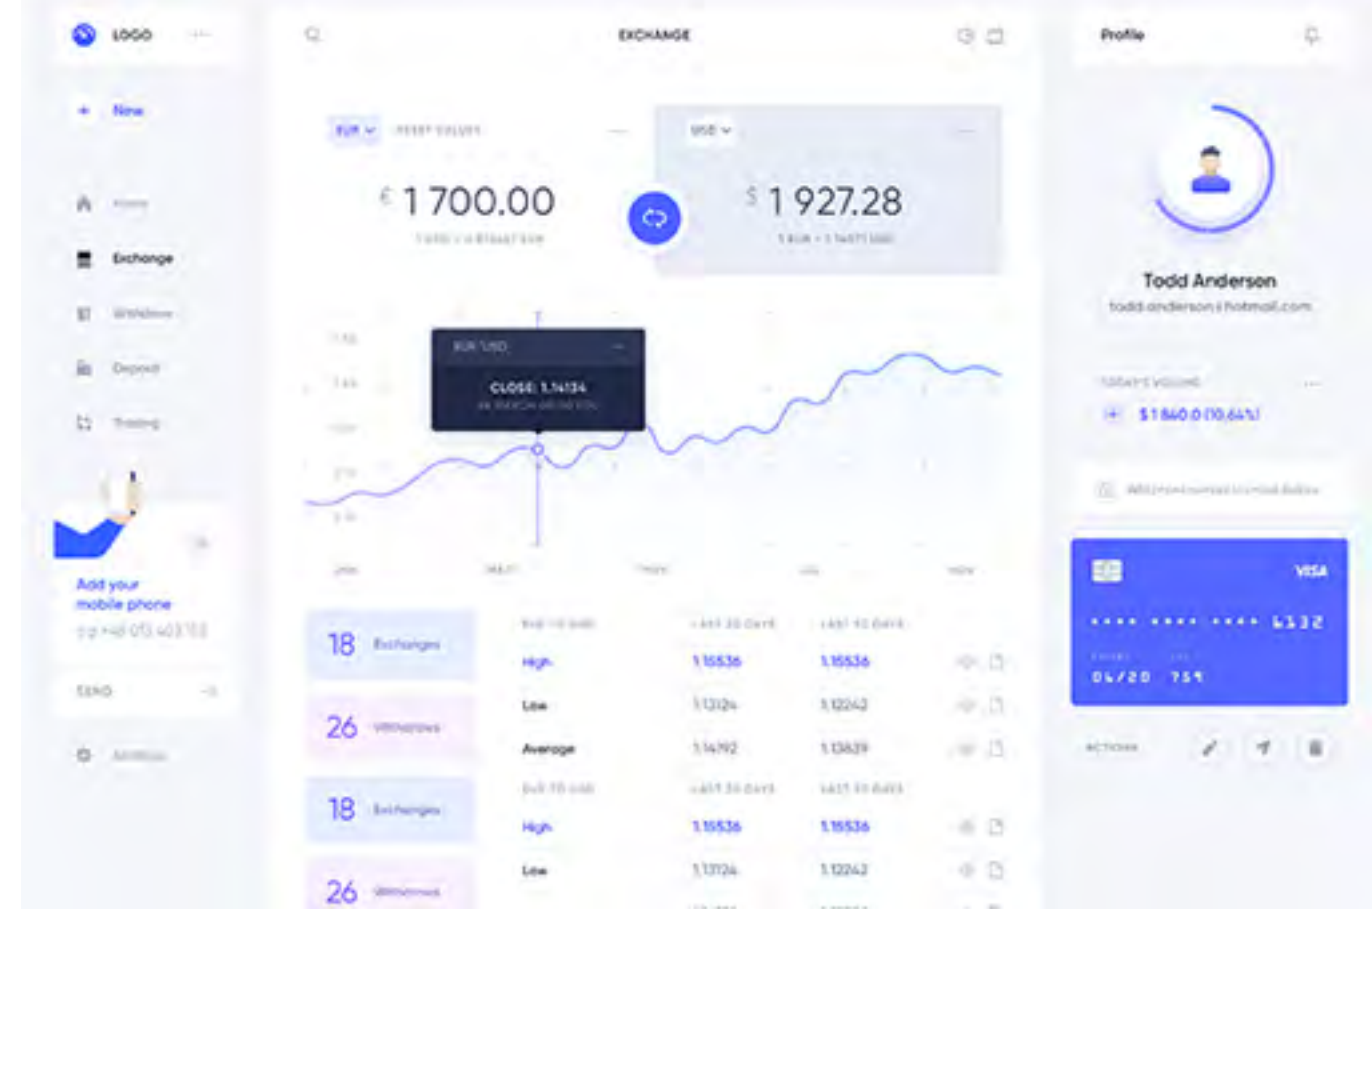

Recurring billing

Every invoice paid is positive incoming revenue for your business. LessAccounting enables you to easily create and send professional invoices. Advanced features like recurring billing and automatic payments.

Your bookkeeping is done!

All your invoicing and payment information automatically syncs with our free accounting software.

Payment Solutions For Your Business

Get paid in as fast as 2 business days, enhance your brand, and look more professional when you enable Payments by LessAccounting. Accept credit cards and bank payments on your invoices for as little as 1% per transaction.

Faster payments, better cash flow

Your customers want to pay online. Simply email your customers an invoice and they can use the secure "Pay Now" button to send over your payment.

Never lose track of payments

With Less, your invoices and payments automatically flow into your accounting records. You'll never lose track of payments again, and you'll be all set at tax time.

Accessible, Convenient & Manageable

Simple, reliable, and secure. Easily manage cash flow. Be ready for tax time

Invoices

- Send online invoices to any contacts, and track payments when you receive them.
- Set up invoices to reoccur whenever you need. Get paid by using all major credit cards and PayPal.
- Customize your invoices with our powerful template engine.

Proposals

- Start with one of our templates, and edit them to create custom business proposals.
- Proposals are logged and attached as sales notes to contacts. Then easily turn proposals into invoices that are ready to be sent out to clients..

Banking Integrations

- We integrate with thousands of domestic US banks and a few hundred international banks. Simple Accounting Software for Mac or Windows.
- Download your transactions and immediately see it reflected on your net income reports

Mileage

- Mileage covered on a business trip counts as a business expense.
- You'll never again miss out on an easy opportunity to save a little more when tax season rolls around.

Contacts

- Contact management features give you a robust CRM to keep track of all your clients and contacts.
- Import your address book from Highrise, Basecamp, Gmail, and other web apps.

Accounting Workflows

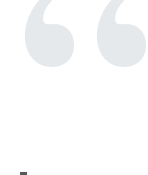

- With our simple workflows you can quickly get done with accounting tasks in minutes instead of hours.
- Spend less time hassling with your books and more time running your business, making money.

Trusted by hundreds of businesses worldwide

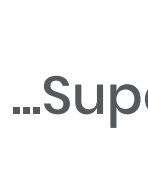

JILL SALZMAN (FOUNDINGMOMS.COM)

I used QuickBooks for 5 years and absolutely hated it. When I tried LessAccounting I was hooked on it instantly!

JILL SALZMAN (FOUNDINGMOMS.COM)

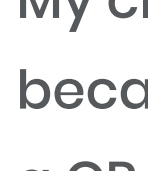

...Super easy to sync up our accounts. I love LessAccounting because I don't have to read a manual or take accounting classes.

ALEX PYATETSKY (THEHOTH.COM)

MIKE CARNEY (MWCACCOUNTING.COM)

My clients choose LessAccounting because it makes their life easier! As a CPA I can get the information I need directly from LessAccounting
